Reflection on God's Plan for Us

"We believe that Christ suffered to save our souls and enable us to be with Him in heaven. He suffered so we would not have to. His blood was shed to pay for our sins. He must have experienced pure joy when God's plan was accomplished and He ascended to His Father in heaven. The plan was fulfilled and could now be carried out through the work of the disciples. In this scripture Jesus says that whoever believes and is baptized will be saved. We can take comfort that when our souls leave this earth and ascend to heaven, we can join Jesus to rest in heaven. That is His promise to us."

A Thought from Pope Francis

"May the Church be a place of God's mercy and hope, where all feel welcomed, loved, forgiven, and encouraged to live according to the good life of the Gospel. And to make others feel welcomed, loved, forgiven, and encouraged, the Church must be with doors opened so that all may enter." Pope Francis... General Audience... St. Peter's Square...
